

HMIS Interim Updates

When do I do them?

Any changes in the status of:

- disabling conditions
- health insurance
- income
- non cash benefits

Any changes in household members

Change in current living situation

AT LEAST ONCE EVERY 90 DAYS!

Don't forget that Interims need to be done in both your agency specific projects and Coordinated Entry!

Interim updates are important because they are what keep your clients active in HMIS and tell the story of progress in your work to help your clients obtain housing
